Important Information

This flyer only provides an indication of interest rates offered and does not constitute the product's full terms and conditions. Full details of terms and conditions, fees and charges are set out in the relevant Product Schedules, available at www.therock.com.au or any Rock outlet.

All interest rates are quoted per annum. Interest is calculated and accrued on a daily basis.

*Accounts no longer available to new account holders.

**$2,000 minimum balance required to qualify for interest. Interest paid on whole balance.

^The interest rate paid on each "portion" tier applies to the portion of each day's final daily closing balance which is in that tier.

Early withdrawals from fixed term deposits will result in interest of 1% p.a. being earned on those funds being withdrawn. This interest will be applied from the beginning of the term to the time monies are withdrawn. The balance of monies remaining in the term deposit for the full period will continue to earn the agreed rate of interest. A break fee will also apply to early withdrawal of term deposit funds.
